# GENERAL INFORMATION

## FOOD

Please chat to our team about our food bundles outlined on page 5. If you have any questions or specific enquiries about a particular dish or how our menus work, drop us a line. If your party is having a drinks only event, any guests are able to order food from the standard menu at normal pricing.

## BEVERAGE

### Cash Bar

Guests purchase beverages as they require from our full beverage menu.

### Bar Tab

If choosing a bar tab, it must be set up prior to the event with our team. Please specify if you would like to set up a bar tab to include only house drinks, a full bar or specific items from our drinks menu, along with the credit limit for the event account. Once the account limit has been reached during the event, you can choose to either increase your account limit for the bar tab, or guests can purchase from the cash bar.

### Subsidised Bar Tabs

You can specify the range of beverages available and a credit limit for the account. As the event organiser, you then set the subsidised per drink cost for your guests to pay, with the remaining beverage cost being deducted from your credit limit.

## FEES

### Deposits & Minimum Spends

Deposits and a minimum food and beverage spend may apply and are quoted based on event space, date, time and number of guests. Please contact our team for further information about deposits and minimum spends or for an approximate quote.

### Guest Numbers

Minimum guest numbers and catering requirements are required no less than 10 working days prior to your event date. Final event payment is due on the event date and will be based on minimum guest numbers or actual guest numbers, whichever is greater. There must be a minimum of 10 guests to hold an event.
